because...*

- ✓ We **BELIEVE** the strength of the nation lies with the individual.
- ✓ We **BELIEVE** in equal rights, equal justice, and equal opportunity for all.
- ✓ We **BELIEVE** free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth, and prosperity.
- ✓ We **BELIEVE** the government must practice fiscal responsibility and allow individuals to keep more of the money they earn.
- ✓ We **BELIEVE** the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations.
- ✓ We **BELIEVE** the most effective, responsible and responsive government is one closest to the people.
- ✓ We **BELIEVE** Americans must retain the principles that made us strong while developing new and innovative ideas to meet the challenges of changing times.
- ✓ We **BELIEVE** Americans value and preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- ✓ Finally, we **BELIEVE** the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.
